Safety Instructions

If the carpet on the Thermomat gets too worn out a bright fabric will be visible. If you notice this bright fabric, for your own safety do not continue to use the carpet mat as it has reached the end of its lifespan.

In order to avoid heat accumulation, never completely cover the Thermomat. Never bend the Thermomat. Only designed for indoor use and not use in bathrooms, a sauna or other wet rooms. Do not fix it to the floor using nails or staples. Must not be washed or placed in water, to clean use a dry brush. Do not step onto the mat with wet feet or shoes. Must not be chewed or bitten by animals.
