

# Jeeves Ladder Towel Rails

Liquid Filled Towel Rails for use in bathrooms

Stock Code	Finish	Size (mm)	Output (W)	No. of Bars
K10SPR	Polished Stainless Steel	W1000 x H690 x D118	200 Watts	10

**PLEASE NOTE:** Due to the position of the heating element and the circulation of the hot water, the bottom bar will not heat and the 2nd last bar will be slightly cooler than the rest of the towel rail on some of the models. This affects the following ranges: Quadro P, Classic D, Classic K & Tangent M.

Specifications are for information purposes only. Whilst every effort has been made to ensure the product specifications are accurate, due to continuing product development and improvement the specifications are subject to change. Specifications can be used to rough in and fit timber supports in the wall however we recommend no holes are drilled without having the product on site or verifying the details with the manufacturer. Thermogroup cannot be held liable or responsible for errors due to updated specifications.
