INTELLIGENT HEATING CONTROLS

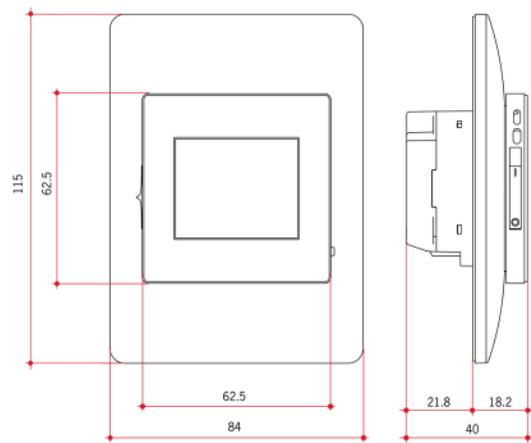

MADE IN EUROPE

The 5238 Black Wi-Fi Cover Plate allows you to change the Cover of the whole 5235W thermostat to suit your black colour scheme.

Simply remove the cover plate of the 5235W and replace it with the 5328. The 5328 consists of the two cover plates only, the 5235W thermostat needs to be purchased separately.

Code	Size (mm)	Colour
